Dear Sir:

Please replace the original specification with the attached replacement specification. The amendments to the specification transfer text found in the original drawings to the specification and replace line numbering with paragraph numbering, and consequently the amendments add no new matter to the application.

Attached hereto is a marked-up version of the changes made to the specification and claims by the current amendment. The attached marked-up copy of the specification is captioned "Version with markings to show changes made".

Also enclosed are substitute drawings in compliance with 37 CFR 1.84.
